Learning pathways and transition
Year 12 Reminders

Applications for courses for 2019 are open on the VTAC website. You will need your VCAA student number to create an account, the first step in the application process.

Special Entry Access Scheme (SEAS) and Scholarship applications are also open and close 12 October, 2018

You can apply for up to 8 courses, placing them in the order you most want them. You will receive an offer early in 2019 for the highest course in your list for which you meet the requirements (eg ATAR). You will be able to change your application at various times, please check the dates. Check out prerequisites and selection criteria for courses you are applying (eg is there an interview, audition, folio presentation?).

If you have any questions please feel free to contact us or visit the Learning and Pathways Centre.

Year 12 Information

Year 12 students need to think about their options for next year. Will it be further study at University or TAFE, employment, an apprenticeship or perhaps a GAP year where they take “time out” to work or travel? Year 12 students who intend to apply for further study next year must understand the VTAC application process.

➢ WHEN CAN I APPLY FOR COURSES FOR 2019?
Applications are made on the Victorian Tertiary Admissions Centre (VTAC) website, opening on 6 August, with timely applications closing on Sept 27 (5pm); (see www.vtac.edu.au). You will be able to apply for up to eight courses, placing them in the order you most want them.

You will be offered a place in the highest course in your list for which you meet the ATAR/Selection requirements/pre-requisite subjects. The cost of timely applications is $36.00 (more if you apply late).

➢ SPECIAL ENTRY ACCESS SCHEME
Circumstances can sometimes spoil a student’s academic achievement. Tertiary institutions are aware of this and offer alternative entry schemes taking into account short-term and long-term disadvantage. Most are offered through the Victorian Tertiary Admissions Centre (VTAC) SPECIAL ENTRY ACCESS SCHEME (SEAS) application process. Note: SEAS applications cannot be completed until you have made a VTAC course application. See: www.vtac.edu.au/applying/seas.html.

There are four SEAS categories:
• Category 1: Personal information and location
• Category 2: Disadvantaged financial background
• Category 3: Disability or medical condition
• Category 4: Difficult circumstances.

Applying for SEAS is only the first step. In addition to the application, some categories will require you to include an impact statement and statement of support from a responsible person who can verify your claim. Applications opened on 6 August and close on 12 October (5pm).

➢ SCHOLARSHIP APPLICATIONS THROUGH VTAC
Many institutions accept scholarship application through the VTAC website. Applications open: 6 August; close 12 October (5pm).

Guaranteed Entry Scheme

The University offers four types of guaranteed entry pathways to its professional entry graduate courses. For each pathway, students must enrol in an undergraduate degree at the University of Melbourne to be eligible. A guaranteed entry is available for most graduate degrees, depending on the ATAR a student achieves:

<table>
<thead>
<tr>
<th>ATAR of 99.90+</th>
<th>Melbourne Chancellor’s Scholarship</th>
</tr>
</thead>
<tbody>
<tr>
<td>A Guaranteed Commonwealth Supported Place in one of the professional master degrees for students who meet the prerequisite course and entry requirements for the master degree. Visit Melbourne Chancellor’s Scholarship to find out more specific details about the exact value of the scholarship for domestic and international students.</td>
<td></td>
</tr>
</tbody>
</table>

| ATAR of 96.00 – 99.85 | Domestic students will be guaranteed a CSP place in a professional entry masters (coursework) degree from a select list, if they satisfy the course prerequisites. In most cases they need to achieve a particular weighted average mark (GPA) in their undergraduate degree as well. International students will be guaranteed an international fee place in a professional entry masters (coursework) degree from a select list, if they satisfy the course prerequisites. In most cases they need to achieve a particular weighted average mark (GPA) in their undergraduate degree as well. Visit Courses for ATARs above 96 to find out which courses apply and the exact GPA required. |

| ATAR above 94.00 | A guaranteed Australian fee or international fee place into one of a limited list of graduate programs for students who commence and complete an undergraduate course at the University of Melbourne with a GPA of 75%, and meet the prerequisites for the graduate degree. Visit Courses for ATARs above 94 to find out which courses apply. |

| No ATAR | These guaranteed entry pathways into limited graduate courses are based on academic performance in a current University of Melbourne undergraduate degree and are not subject to any ATAR requirement. Eligibility will also be based on meeting the prerequisites for the graduate degree. Visit Course Guarantees without an ATAR to find out more. |

Access Melbourne

Access Melbourne is special entry and access scheme offered by the University of Melbourne to domestic students. By applying through Access Melbourne, students can be assured that any circumstances that have affected their education will be considered when the university assesses their Year 12 results. Access Melbourne can assist eligible students to enter a course even if their ATAR is below the lowest selection ranked ATAR and to also be considered for a scholarship.

"Determination and perseverance move the world; thinking that others will do it for you is a sure way to fail"
Year 12 students can apply using one or more of the following categories:

- Disadvantaged financial background
- Applicants from rural or isolated area
- Under-represented school
- Difficult circumstances
- Disability or medical condition
- Non-English-speaking background
- Recognition as an Indigenous Australian

Access Melbourne categories that provide a guaranteed entry are:

1. Disadvantaged financial background
2. Applicants from rural or isolated areas

Students eligible to apply as a rural or financially disadvantaged student, and meet course prerequisites, may apply for guaranteed entry to the University of Melbourne with an -

- ATAR of 78.00 for a place in Design or Science
- ATAR of 80.00 for a place a place in Arts
- ATAR of 88.00 for a place a place in Commerce
- ATAR of 92.00 for a place a place in Biomedicine

The University now also offers guarantees for Indigenous students who meet course prerequisites and apply with an ATAR of:

- 50.00 Arts (Extended)
- 55.00 Science (Extended)*
- 70.00 Design
- 75.00 Science
- 75.00 Arts
- 83.00 Commerce
- 85.00 Biomedicine

*Applicants for guaranteed entry to the Bachelor of Science (Extended) also require a passing score in a Year 12 Biology, Chemistry, Mathematics, or Physics subject.

Even if a student's ATAR falls below these levels, they may still be considered for a place. To apply for the Access Melbourne scheme, students must make use of the Special Entry Access Scheme (SEAS) application on the VTAC website. There are also several Melbourne Access scholarships available through the University's scholarships program, so students are encouraged to browse Melbourne Access Scholarships

“Determination and perseverance move the world; thinking that others will do it for you is a sure way to fail”
Visit Access Melbourne to find out more about Access Melbourne. A SEAS application must be made through VTAC by 5.00pm on Friday 12 October 2018. There is no separate application for a Melbourne Undergraduate Access Scholarship; students are automatically considered for these scholarships by applying through the SEAS process via VTAC.

➢ **Graduate Degree Packages for 2019 Entry**

From 2019, high-achieving students who have a definite idea about their career direction and who obtain the required ATAR will be able to *enrol upfront for both their bachelors and graduate degrees*. Graduate Degree Packages will be offered for certain popular undergraduate and postgraduate combinations. In some cases, students will be guaranteed a place in their graduate degree if they pass their undergraduate degree; in other cases, there will be further hurdle requirements, such as a minimum WAM (weighted average mark). So, students can enrol into their desired undergraduate and graduate study pathway immediately after school - with the flexibility of withdrawing at any point if they want to.

The Graduate Degree Packages will include Science/Engineering, Design/Architecture, Commerce/Law, Biomedicine/Physiotherapy and Arts/Education.

**Monash Entry Schemes**

At Monash, we know that a student’s ATAR might not accurately reflect their ability. Life can be a bumpy road, and there are all sorts of circumstances that can get in the way of a student’s academic achievement.

We operate two schemes – the Monash Guarantee and the Special Entry Access Scheme (SEAS) – that can help students enter their preferred course, even if their ATAR is below the lowest selection rank.

By having two schemes, Monash wants to create a level playing field for everyone who aspires to an exceptional education. By operating both schemes, Monash can also help as many students as possible reach their full potential.

Students do not have to choose between the two schemes – depending on their situation and background, they could be eligible for one or both.
1. **The Monash Guarantee**  
The Monash Guarantee can get a student into a Monash course even if they do not reach the course’s lowest selection rank. Students could be eligible for the Monash Guarantee if they:

- have experienced **financial disadvantage**  
- live in a **low socio-economic area**  
- are an **Indigenous Australian**  
- attend a **Monash list under-represented school**

So, every Monash undergraduate degree has a **Monash Guarantee ATAR**, which is lower than the expected selection rank for that course. For most courses, if a student meets the **eligibility criteria**, achieves the **Monash Guarantee ATAR** (starting at 70.00), and completes all course prerequisites, they will be eligible for a place at Monash. To be considered for the Monash Guarantee, Year 12 students must **submit a VTAC course application, complete a Special Entry Access Scheme (SEAS) application including any required documentation, and complete a VTAC Scholarship application.**

Find out more at **The Monash Guarantee.**

2. **Special Entry Access Scheme (SEAS)**  
SEAS adjusts students’ ATAR in recognition of circumstances that may have affected their education. This gives students a better chance of getting an offer for the course they want.

➢ **Student Experience Day – Art Design & Architecture**  
*Ever wondered what it’s like to study a creative subject at university? If you’re in year 10-12 join us on Caulfield campus to experience what it’s like to be a Monash student.*

There will be three **free** workshops available: students can choose from **Art, Design, or Architecture.**

**Art:** Take a guided tour of the Monash University Museum of Art (MUMA) then participate in an immersive studio project where students will be challenged to create a new work in response to what they have observed. Students will also have the opportunity to talk to lecturers about their own art practice.

**Design:** Be ready to make, break and explore design ideas with this interactive workshop that incorporates communication design, industrial design, and spatial design.
**Architecture:** Do drones know this city more than people do? Take part in a hands-on group project to uncover some possible answers.

**Date:** Saturday 15 September 2018  
**Time:** 10.00am – 3.00pm  
**Venue:** Monash Art Design & Architecture, Caulfield Campus

It is recommended, however, that applicants ensure they are available for the entire audition period.

New Bachelor of Educational Studies

The new Bachelor of Educational Studies has been designed for students who are passionate about becoming teachers, but do not achieve the entry requirements to go directly into a Bachelor of Education (Primary) or the Bachelor of Education (Early Childhood and Primary).

Although the 3-year Bachelor of Educational Studies allows students to gain a qualification to work in education-related fields other than teaching, it is also designed as a pathway for students who wish to consider future study in teaching in Early Childhood and Primary Education.
Students who successfully complete the first year of this degree may be eligible to apply for transfer into the second year of the Bachelor of Education (Early Childhood and Primary) or the Bachelor of Education (Primary). Students who complete the three years of study can progress to a postgraduate Initial Teacher Education qualification. Find out more at Bachelor of Educational Studies

**CASper Test for entry into Education**

The CASper test is an online tool designed to evaluate key personal and professional characteristics of all applicants applying for courses in Medicine, Veterinary Science and Education. It has been found that traditional evaluation methods (interviews, letters and references) have been ineffective. Whereas the CASper test provides a reliable measure of traits like professionalism, ethics, communication and empathy, reviewing characteristics that make for successful students and graduates. Comprising of 12 sections, each section contains either a video-based scenario or a word-based scenario (i.e. a statement to consider), followed by a series of 3 probing questions. There are technical (computer and internet) and security requirements and that you will need to follow, to ensure you complete the test correctly.

The universities that are using CASper for the 2019 admission cycle are; Australian Catholic University, Deakin University, Federation University, La Trobe University, Monash University, RMIT, Swinburne and Victoria University. If Education is on your list of preferences, please visit the CASper website to diarise your test date and read further on test preparation: [https://takecasper.com/aboutcasper/](https://takecasper.com/aboutcasper/)

**Pathway’s into Education**

If you don’t achieve the required ATAR to gain entry into your Education degree, remember you can consider the below Diploma’s at RMIT and Victoria University.

**RMIT - Diploma of Teacher Education Preparation**

This diploma provides a pathway into the Bachelor of Education with the opportunity for students to obtain credits in the RMIT Bachelor of Education (Early Childhood, Primary or Disability). Applications for this one is via VTAC.

**Victoria University Polytechnic - Diploma of Teacher Education Preparation (22451VIC)**

Upon completion of this course, students are qualified to work as education support workers and are also eligible for guaranteed entry into the following Vic Uni’s undergraduate education courses:
• Bachelor of Early Childhood Education (with up to 24 credit points/2 units of study) or
• Bachelor of Education Studies (with up to 24 credit points/2 units of study)
Applications are to be made directly with Vic Uni, please visit:

**Diploma of Teacher Education Preparation**
The Diploma of Teacher Education Preparation may be the right study choice for students with the motivation, capability and personal attributes to be a great teacher.

The Diploma of Teacher Education Preparation (Dip TEP) is an accredited AQF5 level qualification aimed at students who do not initially meet the minimum ATAR for teaching. The course has been developed as part of the Victorian Government’s Excellence in Teacher Education Reforms to ensure that disadvantage and diverse educational experiences are not a barrier to capable and committed people who want to pursue a career in teaching.

Successful completion of the Dip TEP will ensure that students graduate with the prerequisite knowledge and skills to undertake a rigorous undergraduate teacher education course.

The Dip TEP supports students to meet the literacy and numeracy standards they will need in order to graduate with a teaching qualification and supports them to meet the demands of study at a higher education level. The course introduces them to contemporary issues in education and to teaching as a profession, including practical school-based placement.

The course is currently being offered by RMIT and VU Polytechnic.

**RMIT Update**

**Elite Athlete Entrants Program**
Applications for the EAEP can be made on the RMIT website and must be received by Sunday 16 December 2018 for Semester 1, 2019. If you have any specific questions about the program you can email elite.athletes@rmit.edu.au

**Experience Surveying**
RMIT are hosting monthly hands-on opportunities for future students to find out about the growing field of Surveying. Interested students are welcome to register to attend these free events held once a month in Yarra Bend Park.
Next session is on Thursday 6th September at RMIT University Field Station, Yarra Bend Park - 201 Yarra Bend Road in Fairfield.
