Dear members of the Marcellin College family,

Earlier this year a television network advertised that they would televise three major sporting events all on the one day. They promoted this day as Super Saturday and stated that their telecast would be one of the most significant in television history. Last Friday at Marcellin we went one better on a day that I would like to call Fantastic Friday.

To begin with the College’s First XVIII Football team led by Coach Vaughan Cleary and Captain Marcus Bontempelli ventured to Assumption College Kilmore for what has come to be seen as one of the most significant sporting events in the College Calendar. In the Sixty Year history of this game Marcellin has tasted success on only a handful of occasions. Even though we came into this game as favourites nothing is ever taken for granted and we know that the Assumption team defend their turf with great determination. After trailing for most of the game the Marcellin boys stood up when it counted and came away with a narrow win.

At the same time back at Marcellin the College’s First XI Soccer team led by Coach Dino Faelis and Captain Zac De Bortoli were engaged in an equally important game against rivals Penleigh and Essendon Grammar. Having achieved much in the last few years our Soccer team had not started the season as well as they would like. Many experts predicted that the team from PEGS would win the contest quite easily. Fortunately, our First XI boys did not listen to the so called experts and played out a hard fought encounter to come away with a two all draw.

Later that same afternoon the Marcellin College First XV Rugby team engaged in an historic match. Our team was chosen from all the teams in the Rugby Schools Victoria Competition to compete at AAMI Park in a curtain raiser to the Super Fifteens game between the Melbourne Rebels and the Western Stormers. On the night before the game we gathered to present the boys with their game Guernseys and wish them well for the match. On this occasion we were fortunate to have the inaugural Captain of Marcellin Rugby from 1996 Simon Quintner who along with former Wallaby and Rebels Assistant Coach Nathan Grey presented the boys with their jumpers. Simon spoke with passion and enthusiasm about the fledgling days of Rugby at Marcellin and was highly impressed with the very healthy state of the game at the College in 2013.

The Marcellin First XV, Led by Coach Simon Strachan, Captain of Rugby Jake Williams and team Captain James Dell took to the field at AAMI Park against the more highly fancied team from St Patricks College Ballarat. In a highly entertaining and high scoring affair Marcellin came out the victors. Regardless of the result Marcellin Rugby was definitely the winner on the night.

Later that evening I attended the opening night of the Marcellin/Our Lead of Mercy (M2 Theatre) Production of Anything Goes. This wonderful Production continued the tradition of high quality wonderfully entertaining collaborations between our two Colleges. This year it has been OLMC’s turn to stage the event and I am very grateful to the staff and Principal Julie Ryan for their continued dedication to this significant and mutually valuable event.

These diverse events shared many things in common. Each event was only possible due to the passion, commitment, talent and dedication of the many staff who give so much of their time and energy to ensure that our student are involved in high quality experiences which they will remember for a lifetime. Each event too was only possible because our College possesses students who understand the importance and value of grabbing hold with both hands the many opportunities which the College presents them and giving their best as they strive for the highest with virtue and courage.

All of this occurred on one day in an eight hour window of time. Without doubt a Fantastic Friday at an equally fantastic school!
Year 12 Ministry

There is no doubting the commitment of many in the Marcellin College community to social outreach. Each week, in ways which attract little recognition and fanfare many of our staff and students engage in programs and activities which deliver support to those most in need in our community. Last Wednesday night I was fortunate to have an opportunity to walk with three of our wonderful Year 12 boys as they supported the North Melbourne St Vincent de Paul group on their nightly soup van. This experience can be both inspiring and daunting for our students as not only do they witness the incredible generosity of the volunteers who give of their time and energy to this vital service but they also venture into places which can be quite confronting.

I was impressed by the emotional maturity and compassion demonstrated by our boys as they not only provided food for people who would otherwise go without but equally importantly engaged in respectful and interested conversation with the many people we encountered. One of the volunteers stressed to us that for these people a chat is as important as a meal to these people as it demonstrates respect for the dignity of each person shows that someone is genuinely interested in them.

I am very appreciative of the work of the Marcellin College Ministry Office, Russell Melenhorst, Rana Brogan, Gail Coates, Brother Mark Fordyce, Angela Tsotsos and Grace Florio for their continued support and organisation of this important work.

Yours sincerely,

Mark Murphy
Principal

REFLECTION

‘Courage’, they said, ‘Get up, he is calling you! He jumped up and went to Jesus.
‘What do you want me to do for you?’
‘Let me see again.’ (Mark 10: 49-51)

Courage is fear that has said its prayers, our prayers to ‘get up’ and into action. Courage is about the ‘we’ not ‘me’; our community of faith, our trust in God, our God who can do for us, what we cannot do for ourselves. Courage is to enter into the lives of others. Courage is what we do with our rage against injustice!

The word courage comes from the Latin word cor, which means heart. A courageous act is an act coming from the heart. Courage begins when we see with the eyes of God's love, touch that breaking heart as our hearts break to feel for another with God's compassion, and know God's grief and tears. Courage is out of self, into God, out to others! Courage comes from trust in God-self, not self will. Whatever joy there is in the world, all comes from wanting others to be happy; and whatever suffering there is in this world, all comes from wanting oneself to be happy. (“Gospel Brief” Catholic Education Office, Sydney 2009)

As a Marcellin family may we continue "to strive for the highest with courage and virtue."
**DEPUTY PRINCIPAL – MR ADRIANO DI PRATO**

**CONGRATULATIONS**
On Saturday 18th May I was fortunate enough to attend this year’s M2 production – *Anything Goes*.

I was extremely proud to have watched a quality musical, produced by OLMC in conjunction with Marcellin. The production takes you on a dynamic and colourful journey that involves romantic complications and hijinks aboard the S.S. American.

Our two Colleges should be very proud of the contributions of each student performing, the students that worked back stage and the staff and parents involved in staging yet again an outstanding musical production.

With limited tickets remaining I encourage all members of the Marcellin community to go out and purchase a ticket to view this wonderful show. Special thank you to FOMPA for their continued support of the Performing Arts opportunities here at Marcellin.

**ASSISTANT PRINCIPAL OF OPERATIONS - MR MOLONEY**

**SAFETY AROUND SCHOOLS**
You will have read in previous editions of *The Eagle* that there is currently demolition work taking place in the Placidus Lecture Theatre. This has resulted in some of the lower car park being blocked off. The thoroughfare has now been limited to one lane. This has made traffic in the area much more congested and hazardous.

Safety around the school is a responsibility shared by all members of the Marcellin Community. I encourage parents when driving their sons to school to take note of the entry and parking restrictions around the College. We ask parents not to enter the College grounds after 8:10am in vehicles for your son’s safety along with all our students. Students are to be dropped off either in Sandra Street or at the roundabout area. Please refrain from driving along the roadway as this is now being used by pedestrians and there is an increased risk of injury.

Your understanding and cooperation is appreciated by all staff and students at the College.

**HEADS OF SCHOOL EAGLE ARTICLE – MELISSA MACKELLIN AND MARK ASHMORE**

**EXAMINATION PREPARATION**
With the College’s examination period fast approaching, parents are encouraged to speak with their sons about their subjects and their preparation for the upcoming exams. A strong focus has been on supporting our Year 9 students who will be sitting exams for the first time. The boys have heard from the Acting Assistant Principal of Learning, Mr Vaughan Cleary, received in-class advice and tips and had the opportunity to attend two Learning Mentor Program sessions run by two of our Year 11 students Matthew Arturi and Luca Pietrolungo. Students have also been reminded that they may access the Study Assistance website to receive further tips and strategies in regards to use of class time, studying and examination techniques.

We understand that examinations are just one way of assessing a student’s knowledge and understanding of their subject. We also know that the majority of a student’s final year is based on what occurs in their examinations. All students are encouraged to use these Semester One examinations as an opportunity to ascertain where their skills and strengths lie as well as reflecting upon their performance throughout the semester.

Students should be clarifying what is to be examined in each subject by asking the teacher questions, having academic conversations with their peers, and practising questions and essays before submitting these to the teacher for feedback.

Should any of our young men require further strategies or experience anxiety over the next few weeks, they are encouraged to speak with their Pastoral Leader, House Coordinator, Subject Teacher or Counsellor.
TIME AND SPACE PROGRAM
Marcellin College has had a strong relationship with the Time and Space Program and its director Bill Jennings, for almost five years. During this time, our young men have had an opportunity to spend time with their Mothers, Fathers and special mentors and share their experiences with transition, growing up and what it is to be a young man today.

As always, the nights are an invaluable experience for all who attend and a highlight for many of the boys. There is an opportunity to meet and speak with other parents and to hear directly from the boys themselves about what their lives are like. The panel members on both nights provided insight and advice and were able to beautifully articulate what it is like to be a student of Marcellin College and to watch your child grow to be a man whilst he is here.

Thank you to the staff and students who volunteered their time in support of the evening as without their generous contributions, the nights would not have been as successful.

Our Year 9 students have an opportunity to partake in a more in-depth Father and Son Mentor Program late in Term 3.

CYBER SAFETY TIPS FOR PARENTS - BY SUSAN McLEAN
Cyber Safety Solutions 2011

Computers and laptops should be in a common area of the house and not in the bedroom. Parental monitoring is vital – walk past and see what your child is doing.

• Advise your child to immediately exit any site that makes them feel uncomfortable or worried. Basic protective behaviour principles apply.

• Have a family internet contract and set house rules about what information your child can put onto websites or share with others.

• Be aware the majority of children will not tell a parent/teacher if bullied or harassed online for fear that they will lose internet access. The focus should be on the need for support and assistance if this occurs – not the removal of the internet.

• Make sure that your children understand that they will not get in trouble if they tell you about a problem.

• Parents must learn about the internet with their child – spend time together looking at sites and playing online games.

• Install filters and other monitoring/blocking software to minimise dangers. This is already done in schools but parents should have up to date filtering software installed at home.

• Know the sites they are accessing to ensure suitability. Filters can sometimes fail to protect and can be bypassed by a ‘tech savvy’ child.

• Social Networking profiles and photos shared on sites such as Facebook, Tumblr and Instagram should be set to private. Parents should be able to view their child’s profile at any time.

• Consider setting up your own accounts so that you have an understanding of how they work.

• Teach children that information on the internet is not always reliable, nor are the people they meet online.

Please note that this list is by no means exhaustive but merely a starting point for you and your child.

Further advice and resources can be found by accessing the parent section of the Cyber Smart Website http://www.cybersmart.gov.au

Please Note: Year 11 students accelerating in a Unit 3 and 4 sequence or are studying a VET course are required to attend examinations as per the examination schedule, and when not scheduled to sit an examination are to attend their accelerated classes as per the Semester One timetable.
THE MARIST BROTHERS
Solidarity Week is fast approaching at Marcellin. 2013 the College will focus on a special work of Marists in Aleppo, Syria and the civil war which is tearing that country apart. To be in Solidarity with other Marists especially young children in such distress is what our Solidarity awareness week is all about at Marcellin. The Marist Brothers in Aleppo are called the BLUE Brothers because of the distinctive blue tee-shirts they were each day. In the Brothers’ words, “Yes, we risk our lives. Certain young people do not have the support of their parents. All of us know the great risk of working when the weapons keep on firing.”

One question is often asked: “You are going to leave, are you going to come back?” And a trust is established. The children accompany us to midday, when we leave them. They sing around us as if to tell us ‘Stay, we love you! And at five o’clock when we come back, they are already there, and the celebrations continue, dancing, games, smiles, joy! In amidst the misery and chaos of their lives, a child can still smile.

To support the Marist project in Aleppo and the courageous endeavours of the Brothers, we will be inviting our Staff and students to make a two dollar gold coin donation to purchase a BLUE ribbon which can be worn on their blazer. Marcellin’s symbol of SOLIDARITY this year.

CONGRATULATIONS….TOBLERONE WINNER
On Monday morning, Mr Mark Murphy drew the winning ticket for the Toblerone raffle. Congratulations go to Mr Alfio Camarda (Staff Member). Thank you to everyone who supported this fundraiser.
Name: Tony Arthurson

Ministry at Marcellin: Humanities and Religious Education teacher

House: Augustine

Most enjoyable recreational activity: Daily jog and the occasional fun run

Biggest influence: My mother – she is still going strong at the age of 87. She raised thirteen children and yet always displays the qualities of a Saint. She is patient, calm and caring. She always puts others before herself and respects everyone and their individual differences. She has devoted her life to her family and has worked tirelessly for them, never complaining about the long days and hard work that comes with raising thirteen children.

Favourite Marcellin moment: When a former Marcellin College teacher, Peter Schlitz, was very unwell with cancer in 2009, his family, in co-operation with the College, organised a fundraising Trivia night. The funds raised went to the Peter McCallum Cancer Clinic. The night was hosted by ex-student and actor, Steven Currie and conducted in the Functions Room and ‘Old Gym’ (Current MPAC). It was an enormous success – there was a massive crowd in attendance – largely ex-students of the College who came to the evening out of respect for Peter. To me, it was wonderful to see Peter’s FAMILY combine with the Marcellin FAMILY for what became a celebration and farewell to Peter, who passed away some months later.

Advice to Marcellin students: Be your own person – don’t be too influenced by others – set your own targets and goals and motivate yourself to achieve them.

Take advantage of what Marcellin College offers – take risks and look for challenges. Think in terms of what you can give to Marcellin, not what Marcellin can give you.

FAVOURITE QUOTE: Many years ago, when I was coaching a football team, Ex-AFL coach and legend of the game, Tom Hafey, spoke to the team on the Thursday night before the Grand Final. One thing Tom said was ‘To sense victory is good, but never assume it is certain’. At half time on the Saturday, when we were well in front of the opposition, I used the quote and asked the players for extra effort in the second half or else the opportunity for a Premiership may disappear. The players did work hard for the whole game and we won comfortably. My message from that quote is that you may be on top of the ladder, you may be on top of your opposition and you may be on top of your studies, but you need to continue to work hard to ensure success.
Image: Marist vocation team visiting the College this week speaking to Year 7, 11 and 12s.

Image: Year 8 Father and Son gathering in St Marcellin Hall on Tuesday evening.

Image: Guest speakers at the Year 12 Seminar Day on Tuesday.

Image: Marcellin team spirit in full flight last Friday against PEGS. The Soccer boys held onto a two all draw. “Go the Eagles”. 
Twenty Year Nine students accepted the challenge to participate in an exciting initiative at Box Hill TAFE in a New Schools Program called Bacteria in Action. Students learnt about bacteria and antibiotic resistance through the expert guidance of Box Hill Institute's Biotechnology staff, and had an amazing opportunity to work in their microbiology laboratories. This hands on experience gave them an idea of Growing Bacteria, Bacterial Resistance, Spectrophotometry and Sterile Techniques.

As these photos testify, they certainly 'looked the part', and gleaned a valuable insight into tertiary level studies and Pathways.
FROM THE CAREERS PRACTITIONER – MS DORA KARAS

“Pursue Potential Pathways”

YEAR 10 WORK EXPERIENCE

Congratulations to all the Year 10 students who have completed a very successful week of Work Experience. The reports from employers have been very positive, the students are to be commended for the way they carried out their duties, their manners and behaviour and attitude in the workplace. Well done! Employers will be completing a written assessment and the boys may collect this from the Careers room.

Below is a reflection from Nicholas Cheng (from Mr Jackson’s English class):

“Understandably, it is always an adult's desire to un-blind the adolescent from the ‘real world’ and force them to discover what lies beyond the everyday school environment. With that, I was cast into this ‘real world’ for five days and almost every deafening scream of curiosity was finally silenced.

I have been a guest at many hotels and it was in the best of my interests to discover what really occurred behind closed doors. Every time I visit one, I was fascinated by the elegant design of every lobby, room and corridor. After gaining the opportunity to work at the Grand Hyatt Melbourne my fascination escalated while I found that what produced such elegance was the complete opposite……”

To read more on his reflection go to the Careers Newsletter by clicking on to this link….

LEGAL STUDIES CLASS CONVICTS VICIOUS ARMED ROBBER! – BY MRS ROSEMARY CHAPPLE

Unit 1 Legal Studies students completed their studies of the criminal justice system with a mock trial featuring an armed robbery. In a script the students wrote themselves, the class performed all the roles except the Judge, which was played by local solicitor Mr Manuel Puyol, from MA Legal in Doncaster.

In the trial, it was alleged that an armed robbery (allegedly committed by Lucas Dib) occurred in a bank (the Bank Manager was played by Nathan Gavilucci). Matthew Arturi acted as the prosecutor and Ben Clark as Defence Counsel.

The unanimous decision of the jury was that the defendant was guilty, but fortunately Mr Puyol did not have to pass sentence!

LOTE SUPPORT CLASSES – BY MR JOHN DI NATALE

- Italian language support classes for VCE students every Thursday morning in room H305 from 8-8:30am.
- Italian language support classes for VCE students every Thursday afternoon in room H211 from 3:30-4:30pm
- Chinese language support class for VCE students every Thursday in room H308 from 3:30pm-4:30pm.
- Indonesian language support class for VCE students every Wednesday in room H 105 from 3:30pm 4:30pm.
- VCE students are encouraged to attend these classes for conversation, writing, reading, homework and to improve grammar skills.
**STUDY AND HOMEWORK ASSISTANCE**

- Expert help and support is available every Tuesday afternoon in the library from 3:30pm to 4:30pm.
- No bookings required, just turn up with your books, assignments, revision....
- This is also an excellent exam revision opportunity.
- All students ready to work are most welcome.
- Please contact Ms Carolane: 98511622 or Ms Abud 9851679 with any questions.

**PARENTING EVENING FOR 2013 - MINDFULNESS**

Dear Parents / Guardians,

You are invited to attend the Marcellin College and Our Lady of Mercy College Parenting Evening for 2013. This year’s topic is Mindfulness. Each year, our schools take turns to host an informative evening for parents. In 2013, the talk will be at Our Lady of Mercy College.

Speaker: Dr Craig Hassed  
Date: 18 June, 2013  
Time: 7:00pm – 9:00pm  
Venue: The Performing Arts Theatre, OLMC  
Yarra Street, Heidelberg  
Cost: Gold coin donation  
RSVP: Please email rosemary.chapple@marcellin.vic.edu.au to assist us with catering

Mindfulness involves learning to pay attention to the present moment rather than worrying or dwelling in the past. It can also assist people to challenge their self-criticism or judgment in order to:

- Reduce stress, anxiety and depressive symptoms  
- Increase resilience and peace of mind  
- Enhance cognitive performance e.g. concentration, memory and processing speed  
- Improve study and work performance  
- Improve relationships and overall wellbeing

Dr Craig Hassed is a senior lecturer at Monash University's Department of General Practice. He has an engaging speaker who has been teaching mindfulness-based approaches within healthcare, educational and professional settings in Australia and overseas since the early 1990s.

Dr Hassed has also written seven books including three on mindfulness – ‘Know Thyself’, ‘Mindfulness for Life’ and, to be released in late 2013, ‘Learning from Within: the mindfulness approach to education’.

This interactive and experiential presentation will explore the science, practice and philosophy of mindfulness including its relevance and application to education and wellbeing.

Mrs Rosemary Chapple  
Counsellor

The MCCA presents

**THE MARCELLIN COLLEGE GALA CELEBRATION**  
**ON AUGUST 3rd, 2013**

Pencil in the date for this years main event. We will be celebrating 50 years of Marcellin at Bulleen! Start to get your table organised. Numbers will be limited so organise yourselves early! More details to follow.
USED UNIFORM SHOP

Located in Marist House

The used Uniform Shop will be open on:

TUESDAY JUNE 04
11:00 am – 2:00 pm

Anyone wishing to sell items of clothing can leave them at Main Reception with your name, address and phone number attached.

All items that are offered for sale MUST be freshly laundered.

Any uniform ‘donations’ are gratefully accepted.

The used uniform shop is usually open on the first Tuesday of the month.

*Please be aware that any purchases are to be made by cash or cheque only.*

WE NOW HAVE MARCELLIN APRONS AND UMBRELLAS FOR SALE THROUGH THE USED UNIFORM SHOP.

Aprons are unisex and have the Marcellin emblem embroidered on the front - $25

Umbrellas are large golf style with the Marcellin emblem on every second panel - $40

MARIST AWARDS

A Marist Award is awarded to a recipient who demonstrates the Marist Values of Family, Spirit, Simplicity, Presence, Love of Work, and in the Way of Mary.

Marcellin Champagnat spoke about the three violets representing Humility, Simplicity, and Modesty in our lives. Marist Awards are nominations of students from parents, students, and staff to Pastoral Leaders and House Coordinators.

‘Enlivened by the Marist Spirit, Marcellin Champagnat’s vision was to educate young people to grow into good Christians and good Citizens.’

MARLHES

Awarded By Mr John DiNatale

Thomas was extremely generous contributing lots of coins towards the Marlhes House fundraising activity.

Tom Russell

PAST MARCELLIN STUDENT PERFORMANCE

TJ is a past Marcellin student and local resident.
MARCELLIN RUGBY

Round Four kicked off in style with the First XV playing at AAMI Park against St Patrick’s, Ballarat. All indications were that this game was going to be a tough one for the Marcellin boys. St Patrick’s had been racking up some impressive scores. However, the Marcellin boys played out of their skins and took it to St Pat's from the beginning. It didn't take long before St Pat's were playing catch up with Marcellin dominating the game. With a final score of 42 to 34 it was a great free flowing game and a great showcase for Second Division First XV Rugby. On Saturday the U13s and U16s took the trek to Ballarat to play St Pat’s. The U13s continue to impress with their third win from three games with a 41 to 10 win. They are the only Marcellin team to be undefeated. The U16s put together a good performance against an always tough St Pat’s team going down 12 to 33. The U14s played against a very well drilled St Kevin’s team 17 to 41 but showed great improvement. The U15s had a hard game against Carey but came through with a good 28 to 12 win.

CURTAIN RAISER GAME JERSEY PRESENTATION

After training on the day before the AAMI Park game the First XV squad were presented with a special one off jersey to commemorate such a special occasion. The jerseys were donated by a member of the Marcellin Rugby. Two very special guests were on hand to present the jerseys to the squad. Nathan Grey, current Melbourne Rebels assistant coach and former Wallaby and Simon Quintner, Marcellin’s first ever Captain of Rugby from 1996. It was fantastic to hear from both Nathan and Simon, and especially hear about the early days of Marcellin Rugby. Pictured are the 1996 Captain of Rugby, Simon Quintner with 2013 Captain of Rugby, Jake Williams wearing the commemorative jersey.

A concert showcasing Marcellin College Music Ensembles from Years 7 to 12
Mao’s last dancer - Li Cunxin

Marcellin College is proud to present international guest speaker Li Cunxin, author of his acclaimed autobiography, Mao’s Last Dancer.

All members of the community are invited to take part in an evening of inspiration as the College hosts Li Cunxin for a once in a life time guest appearance.

Li Cunxin’s journey is simply remarkable. He was born into utter poverty in Mao’s Communist China. At a very young age Li was selected to train at Madame Mao’s Beijing Dance Academy. The seven years of harsh training at the Beijing Dance Academy taught him discipline, resilience, determination and perseverance. Li’s astounding drive and relentless work made him one of the best dancers in the world.

Li then made a successful career transition from ballet into finance. He was a senior manager at one of the largest stockbroking firms in Australia. Li served on the boards of the Bionics Institute, The Australian Ballet and Councillor of the Australian Council for the Arts. He was named 2009 Australian Father of the Year. Li is the new Artistic Director of Queensland Ballet.

The inspirational story of Li’s life is recounted in his memoir Mao’s Last Dancer, which quickly rose to number one on the Australian bestseller list and won the Book of the Year Award in Australia and received the Christopher Award for literature in the USA. It went on to become an international bestseller. It’s in the 52nd reprint. Mao’s Last Dancer is now a blockbuster film.

Li’s story is a living example of overcoming adversity and achieving excellence in life.

Date:       Tuesday 16th July
Time:       7pm
Venue:      St. Marcellin’s Hall
Cost:       $5.00 per person
