Dear members of the Marcellin College family,

In this space I have spoken often about social justice and outreach as being significant threads in the fabric of our College. Year 10 Community service, Year 12 ministry options, REMAR, Cambodia Immersion, Solidarity Week and House fundraising have historically formed the backbone of initiatives related to the idea of reaching out to those in greatest need in our own community and beyond. In the past too these programs have been mainly accessible only to those in the more senior years of their schooling, an issue which was not lost on a group of innovative, creative and thoughtful staff in our Junior school in developing the Pay it Forward project as part of the Year 8 Discover Program.

The Pay it Forward project was inspired partly by the film of the same name and mostly by a desire to develop in our junior students an awareness of the many Social Justice issues and initiatives both within our own community and in the wider world. The Pay it Forward initiative adopts an inquiry/project based approach to learning in which students work independently and collaboratively to develop their own and ultimately others awareness of Social Justice issues. Part of the project involves a practical component where the Year 8 students set up booths at lunchtime in our main courtyard with the aim of raising awareness of their chosen issue amongst students from other year levels as well as raising funds for their social justice cause.

The culmination of this worthwhile project occurred last Thursday evening when our Year 8 students presented the Pay it Forward Film Festival to a group of very supportive and enthusiastic Year 8 parents, family and friends. The evening commenced with an inspiring and heartfelt speech from Mr Kieran Christopherson a presenter and coordinator from the Reach Foundation who spoke about his own life and how the Reach initiative supported his growth to the young man he is today. The Year 8 boys then escorted their families to venues around the College to watch films which they had produced themselves highlighting the social justice issues they had been involved in. It was obvious through viewing these films that the students had gained a mature and insightful understanding of the issue they were studying as well as the ways that various organisations were attempting to respond to the challenges presented.

I would like to congratulate our Year 8 students not only on the great work they have done but on the value they have brought to our community through the raising of awareness of these significant social justice issues. Thanks also to Jason Shulman, Director of Junior School Innovation and the Year 8 Discover Team Emily Andrews, Erin Gamble, Angela Bottari, Tyler Sherlock, Candace McLaren, Tina Engelbogan, Josh Di Pietro and Luke Getson for their support of this valuable educational initiative.

Volunteers Luncheon
Last week our community came together to celebrate and give thanks to all those who volunteer their support to the College throughout the year.

Marcellin is blessed to have the support of so many parents and friends of our school who give so generously of their time and talents in support of the boys of Marcellin. On behalf of the College I would like to thank all those who volunteer at the College whether that be in the Second Hand Uniform shop, Second Hand book sales, Rugby Parent Support group, Canteen,
Friends of Marcellin Performing Arts and of course the wonderfully dedicated members of the Marcellin College Community Association.

Before the lunch some of our mothers and staff at Marcellin spoke to me about the tragic story of Mandy McCracken. Mandy is a parent at Assumption College Kilmore. Tragically Mandy contracted an aggressive virus which led to the amputation of all her limbs. The story of Mandy’s illness and recovery touched and inspired our community and a group of staff and parents asked if we could show our solidarity and support of Mandy and the Assumption Community. An impromptu raffle was held at our volunteer’s lunch and in a very short space of time those present had raised $1041 in support of Mandy and her family. Another wonderful example of the spirit of care and support exhibited by the wonderful volunteers of the Marcellin College family.

Yours sincerely,

Mark Murphy
Principal

Remembrance Day
On Monday the 11th November the College hosted a Remembrance Day prayer ceremony in the quadrangle.

Student Travel
From time to time requests are made about extended travel during parts of a term or semester. Students have a responsibility to see the relevant subject teachers to arrange for any work he must complete during any extended travel absence.

As the Term is drawing to a close three key events have been arranged:
- House Graduation Ceremonies
- 2014 Head Start Program
- Final Day for Year 8 to 12 (2014)
(Thursday 5th December; dismissal at 12pm)

Details about House Graduations are listed below. All 2014 Year 8 to 12 students are required to attend the Head Start program which commences on Tuesday 19th November.

Any enquiries regarding attendance matters should be directed to the relevant House Coordinator. I wish to remind parents that any such requests relating to intended extended travel absence from the College needs to be in writing and addressed to myself, the Deputy Principal.

Expectations regarding communication to the College relating to student travel are outlined in the 2013 Student Digital Planner and on our website under Expectations of the College.

These Graduation Ceremonies are an important way of recognising and celebrating student endeavour and achievement throughout the year. Light refreshments will be served immediately after the ceremony.

All Year 7 to 11 students received an individual House Graduation invitation via their Pastoral Leaders outlining starting times. The return slips were due back on Friday 8th November.
Dear Members of the Marcellin Community,

**HeadStart for 2014**

All current Year 7 - 11 students will begin their 2013 Year 8 - 12 studies on Tuesday 19th November. HeadStart concludes on Thursday 5th December when all Year 7 – 11s are involved in the final day Mass and celebrations in House and Pastoral Groups.

The HeadStart runs for thirteen days of classes, constituting Week 1 - 3 of the 2014 courses. Much more than just an orientation period, the thirteen days of classes provide an introduction to the various subjects, then teaching begins in earnest.

Students will be working with their 2014 teachers in their 2014 classes/timetable.

This is a valuable opportunity to devote the final weeks to meaningful instruction time and to practise the skills, concepts and thinking required in each Year level for 2014.

All VCE Unit 1 and Unit 3 studies will establish guidelines for performances and assessment, work through the first topics, sit some assessment tasks and set homework to be completed over the summer break.

Students will return next year ready to launch straight into Week 4 of their courses, with all the preliminary work and administration well behind them. I look forward to seeing all the 2013 Year 7 - 11 students getting their 2014 off to a flying start.

**Booklists and Secondhand Books & Uniform Sale**

2014 Landmark Booklists were due back to Landmark School Supplies by Monday 21st October.

You will notice many subjects now offer the ebook option for 2014. This shift enables students to utilise their laptop more effectively, further develop ICT skills in a 21st century learning environment and represents a cost saving to families as well as removing heavy books from backpacks!

If families elect to have their new resources delivered to the College, they may be picked up from St Marcellin’s Hall between 3:00 – 6:00pm on Friday 15th November.

Please note re: purchasing new vs second hand texts

I would like to clarify a few queries re: textbooks and HeadStart:

- New texts ordered from Landmark will be available for delivery or pick up in time for HeadStart, depending on what you requested on your submitted form.
- 2013 used texts, no longer required when Year 9 – 11 exams conclude on Thursday 14th November can be brought to school on the dates below (first week of HeadStart) to be processed for second hand sale on Saturday 23rd November.
- As students need them for exam preparation and many are not on campus together that exam week anyway, we cannot collect second hand texts prior to exams finishing.
- If you purchase new texts prior to HeadStart, but then obtain a second hand version at the sale of Saturday 23rd, you may return the new book to Landmark for a refund.
- Obviously we would like as many students as possible to have all their texts for the first week of HeadStart but we can deal with the situation in the first week if some students do not have a full set of texts via teachers providing electronic and hard copy resources for the first two - three lessons.
The 2013 Secondhand Books and Uniform sale is on Saturday 23rd November, 9:00 – 11:00am in the Functions Room and Br John McMahon Performing Arts Centre.

Dr Arne spoke about a number of pertinent topics and issues, focusing mainly on the importance of allowing our young men to grow in a safe environment, with support and clear boundaries, whilst encouraging them to develop their talents and follow their passions.

Parents were also recommended to visit the Uplifting Australia website ([www.upliftingaustralia.com.au](http://www.upliftingaustralia.com.au)) to access seven Parenting Strategies that may be useful. All members of the community are encouraged to access Dr Arne’s website and book, *The Making of Men*, for more information and helpful strategies.

EXAMINATIONS
Students in their final week of studying Unit 4 VCE subjects are reminded to check the date, time and expectations regarding their upcoming examinations.

Details for these examinations can be found in the VCE Exams Navigator handed to students earlier in the year or on the VCAA website – www.vcaa.vic.edu.au

Well done to students in Years 9-11 of meeting the standard and expectations of academic excellence during the end of year examinations. Each student prepared thoroughly for these examinations by revising, note taking, asking questions, and practicing essays and questions to ensure success. An important aspect of the following weeks is receiving feedback regarding your examination performance and reflecting on how strategies can further improve academic results.

STUDENT REPRESENTATIVE COUNCIL (SRC)
Students at Marcellin College have many opportunities for leadership experiences, both in formal positions and in living out daily the Marist characteristics in their relationships with others. A significant part of the College leadership program is the Student Representative Council (SRC) which provides an important student voice within the school.

Led by the College Captains, the College SRC Executive and the Junior School SRC Executive, SRC’s in previous years have established a Student Learning Mentor Program, provided more healthy eating options in the canteen, reviewed and implemented new policies such as the Electronic Device Policy, and have been instrumental in the recent success of Champagnat Day and Marcellin’s Got Talent.

The SRC also work within the House to support students from the six Pastorals, as well as promote the House Social Justice issue and charity.

All students are encouraged to nominate for the role of SRC to their Pastoral Leader and House Coordinator by Friday 22 November. Students will present their speeches to their House on Thursday 28 November, at which the students will vote for the SRC leaders in their House for 2014.

LAST DAY OF TERM AND ACADEMIC YEAR
A reminder that students in Years 7-11 (Years 8-12 for the Headstart Program) that the final day, Thursday 5 December, is a compulsory day in which there is an opportunity to celebrate our Marist characteristics of Family Spirit, Presence and Simplicity. The boys will meet together for the final time as a Pastoral Group before celebrating Eucharist as a community. Your purchase of this fabulous wine will help support our champion Under 18 Cross Country Team to represent Australia in Israel 2014 for the ISF (International School Sport Federation) World Schools Cross Country Championships. • The cost for each team member is more than $6,000. • These boys have shown incredible commitment, determination, sacrifice, courage and loyalty. They have committed to year round training twice a week, Sunday mornings and even train during school holidays. As such, under the dedicated coaching of John Meagher, they successfully won the Victorian U18 School Cross Country Team Championships in July and recently competed in Launceston, TAS, to win the National U18 School Cross Country Team Championships. • These cases of top quality wines and premium sparkling wine (we know they’re top quality because we’ve tried them ourselves!) will make wonderful gifts for family, friends, colleagues and teachers for Christmas. ORDER NOW! Last orders need to be received by 25th November to ensure delivery by early December! Please contact Liz Cox on 0404 036 289 or lcox@olhcellham.catholic.edu.au for further information.
