

# Marcellin Sport

## COVID Protocols for Marcellin Sport

The following protocols have been put in place for the safety of all participants of the sport program.

- No student should attend training/games if they are feeling unwell.
- Each coach will undertake COVID-19 Infection Control training module.
- Each coach will ensure attendance roles are taken at trainings and games.
- Students must bring a full water bottle with them with their name on it.
- Students can't use water fountains or share water bottles.
- Coaches must always maintain social distancing with other adults.
- Students and staff will use hand sanitiser before and after training.
- Equipment will be wiped down before and after training by the coaches.
- Bibs are not to be worn during training.
- Training will not be conducted indoors.
- Personalized safety must be supplied by individual players. *ie - Headgear, Goalie gear*
- Players and coaches must not spit or clear nasal passages at small outdoor group training.
- Players must be responsible for their own strapping.
- No sharing of personal equipment such as rollers and therabands/resistance bands.
- Parents are not to leave their cars when dropping off and picking up their child.
